TAX ADJUSTMENT — BALANCE DUE \$68.25

Your initial credit card payment of **\$525.00** on 2026-04-27 was processed through our Stripe payment processor without HST applied (reference: original April 27, 2026 Stripe transaction on Hunt Chrysler's card statement). Per Canadian tax law on B2B SaaS subscriptions, 13% Ontario HST is owing on top of the \$525.00 service fee. The balance of **\$68.25** represents that HST line — please remit via one of the options below for your records and ours:

Option 1 — Interac e-Transfer: send \$68.25 to First@FirstFinancialCanada.com with memo "FF-2026-05-001 HST".

Option 2 — Credit card: reply to this email and we'll send a Stripe payment link for the \$68.25.

Once received, a paid receipt will be issued.
